MEMORANDUM FOR : Deputy Director, Plans
SUBJECT : Program Approvals
REFERENCE : DD/P 4-7864 dtd 20 July 1959, Subject:
"Program Approvals"

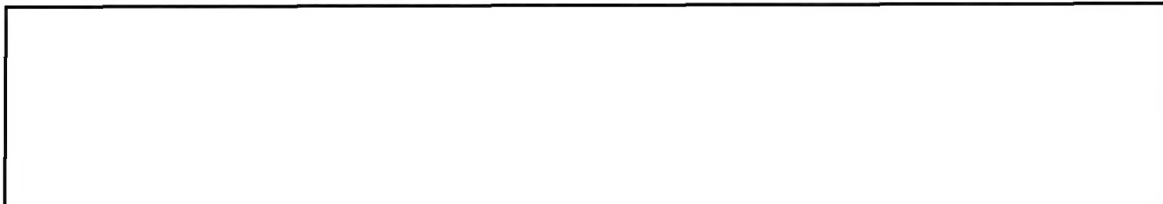

1. Pursuant to the referenced memorandum and discussions at the Staff Meeting on 21 July, the following action has been taken:

a. Attachment "A" lists the "meaningful" sections requested which, when taken together, constitute the entire DPD budget. Within some projects (i.e., GUSTO) several branches will make contributions: Development, under Section 3, and Materiel, under Section 10 (Attachment "A"). Accordingly, a summary sheet to indicate totals for programs or projects would also be helpful and is being prepared.

b. The budget support for the sections mentioned in Attachment "A" is being assembled.

2. When the budget has been approved action will be taken within the approved funding without further reference to you. Program Approvals will be submitted for increases in excess of the amounts approved, major changes within approved funding, or new projects or programs.

3. Brief explanations in support of the budget will be furnished as soon as possible. In the interim, however, there are several items which are included in the budget and on which urgent action is needed to meet operational requirements. The following falls into this category:
